Encourage, Equip & Empower

Greetings from our Area Director Rob Jacobs

HELLO MY FRIENDS!

As I begin my 1st full year as South Coastal FCA Area Director, I want to thank God for an incredible summer with our ministry! By God's grace, we had over 550 coaches & students attend 10 different local day clinics and regional overnight camps and saw dozens make decisions for Christ! Praise the Lord! As we transition to the fall season (hopefully it'll start to cool down here a bit to feel like fall) we're so excited about a new school year. I heard it said recently "new season, same reason!" I like that!

We're also grateful about expanded ministry opportunities with new staff on our team, allowing us to reach broader and deeper on our school campuses and also embarking on ministry in new schools that God has opened up as well! Mid way through last school year, we added 2 staff member to our team in the Beaufort and Bluffton area. This year, our team continues to multiply as we welcome two more to our team as FCA ambassadors, (a part time staff classification) - Coach Dave Adams and Caroline Molloy. They will be helping us in the field in the ever-growing Bluffton & Hilton Head communities. Dave recently retired after a 40+ year career as a coach and athletics director in our Lowcountry area. He has been one of our most dedicated ministry volunteers throughout the past decade. Although "retired" from the sports coaching world, his experience and passion to coach others with the Word of God and serve through the sports ministry of FCA is a perfect union. Caroline is an alumni of Hilton Head Island HS and has also served in our ministry and has a genuine heart to reach young people through the truth of the Word in our ever changing culture.

We are so grateful for you and our community at large, for your prayers, volunteering and support. Thank you! We couldn't do it without you! We are TEAM FCA!

Blessings!

Rob Jacobs
Area Director

South Coastal FCA in action!

The 2022-2023 school year is underway and our South Coastal ministry team of staff, volunteers, student and adult leaders are back on the mission field of our area schools and through the athletics.

Our school year starts with equipping our leaders with training and tools to carry out the E3 model of disciples who make disciples – Engage, Equip and Empower. The goal is to multiply the number of campus huddles and team huddles to impact others. Huddles are held during non-instructional hours at school and the students are always excited to get their huddles started each year!

Ways We Minister

Our staff and spiritually empowered students and adults lead small group time (huddles) before and after school and athletic practices to share God's Word, Christian leadership principles and inspiration to reach the heart and soul of the student athletes and coaches. Team prayers, team meals, one on one discipleship and just showing up to support them at athletic events to provide support and encouragement, are also ways we seek to minister to our athletics community and beyond.
